An additional charge of \$10 per song will be assessed for an individual performance and \$20 will be assessed if the artist is performing with another musician who also needs to learn the song.**
- **Timeliness:** The artist will arrive before his scheduled performance time to check in with coordinators and set up any equipment that the artist has brought. Payments will not be accepted by mail and will be either in cash or a personal check made out to the artist for the agreed upon amount. Any discrepancies with payment will be dealt with on site and any contracts will be reviewed to settle disputes.

* Adverse weather conditions may result in additional fees if the weather is predicted to be in-climate at the time of the event.

** Additional musicians require the artist to make special arrangements in terms of time allotted for rehearsing a request with an accompanying musician.
